

Marcola Household Hazardous Waste Collection Event

Mohawk Valley Rural Fire District 92068 Marcola Rd., Springfield, OR

Saturday, October 25, 2025 9 AM-2 PM PDT

Many common household products contain hazardous ingredients. Anything with a caution label such as Danger, Warning or Caustic can become a pollutant to groundwater and streams. Avoiding these products saves money and protects drinking water, wildlife and our environment.

https://www.lanecountyor.gov/government/county_departments/public_works/waste_management/hazardous_waste

Alternatively, if you are coming to Eugene soon, you can easily schedule a Thursday or Saturday drop-off appointment at Glenwood Transfer Station (3100 E. 17th Ave., Eugene) at any time of the year at lanecountyor.gov/hazwaste.

BRING:

Limit to 35 gallons from each household. Keep products in original labeled container or label known items.

- Arts and crafts products
- Car care products
- Cleaners
- Fluorescent tubes
- Lawn and garden chemicals
- Paints and solvents
- Other household hazardous waste
- Batteries (household quantities; no lead-acid batteries)
- Batteries include Ni-Cad, NiMH, lithium, button, rechargeable alkaline, and silver oxide

DON'T BRING:

- Asbestos
- Drums
- Electronics
- Empty containers
- Explosives
- Infectious waste
- Pressurized cylinders
- Radioactive waste

For information about how to dispose of these materials, call (541) 682-4120.

NOTE: Lane County reserves the right to decline acceptance of any hazardous waste that Lane County staff deems to be non-household in nature or that is generated by a business, school, farm, church, non-profit organization or government agency.
