# Rainbow Water District Lead Service Line Inventory

PWS ID: OR4100839

PWS name: Rainbow Water District

Operator submitting report: Eric Carlson

Date completed: September 11, 2024

Summary count of service line materials				
Lead	GRR	Unknown	Non-Lead	Total
0	0	0	2,383	2,383

GRR=Galvanized requiring replacement

Site ID	Location Identifier (address)	Water system owned service line current material	Water System service line material identification method	Customer owned service line current material	If customer service line is galvanized, was upstream service line material ever lead?	Customer service line material identification method
